Important Policies

A Note on Plagiarism:

Students must write their assignments in their own words. Whenever students take an idea from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major scholastic offence (the Scholastic Offence Policy can be viewed in the Western Academic Calendar).

Plagiarism Checking:

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (www.turnitin.com).

Policy on Laptops and other Electronics/Phones in Class:

Laptops are permitted in class at the discretion of the professor for note taking or any other purpose approved by the professor. Using laptops is a privilege, not a right.

Cellphones, Blackberries, and similar devices, must be turned *OFF* (not just vibrate) during classes unless specific permission is sought for emergency purposes in a given class. Text messaging and Twittering are not permitted during class.
