Module Checklist

All students are encouraged to complete a module checklist prior to course selection. The checklist is a visual aid that illustrates what module requirements remain to be completed.

Students who entered a Sociology or Criminology module in 2021 or earlier have the option to follow the [2021 Module](#) requirements or the new 2022 Module requirements.

Overlap Rule:

Normally a double major consists of 12.0 credits (6.0 for each). When combining Sociology + Criminology, there is a 1.0 credit overlap where Sociology 2205A/B and 2206A/B are taken once and count toward both modules. The remaining 11.0 module requirement credits must be completed using **different** courses.

Double Counting is not permitted within the same module or between two social science modules.

- One course cannot be used toward two modules. Example: Shown on the checklist, **Sociology 2222B** can be used toward one major, but NOT both.
- One course cannot be used to fulfill two module requirements between Social Science modules. Example: If **Psychology 2032A** is used toward the Criminology Major, it can NOT also be used to fulfill a Psychology Major or Minor requirement.

1.0 Courses:

- [Sociology 2205A/B](#), OR [stats antirequisite](#) PLUS [Sociology substitution](#)
- [Sociology 2206A/B](#), OR [research methods antirequisite](#) PLUS [research methods substitution](#)

Course Availability

Use the [Timetable](#) to search for course availability by subject, day/time and campus.

The screenshot shows a search form with the following fields and values:

- Subject: Sociology
- Course Number: eg. 1001
- Component: All
- Day of Class: Mon, Tue, Wed, Thu, Fri (all checked)
- Course Suffix: Any (any suffix)
- Course Delivery Type: All
- Starting Time: All
- Campus: Main
- Ending Time: (empty)
- Submit button
- Checkbox: Show only courses open for registration. *Note: may not be an accurate reflection during...

A purple arrow points to the 'Main' selection in the 'Campus' dropdown menu.

It is important to focus your search on “Main” campus Sociology courses. **Only main campus Sociology courses can be used to fulfill Sociology/Criminology module requirements.**

2000-4999 level Sociology courses taken at Brescia or King’s will count only as electives.

The Sociology website offers a list of courses by [Semester](#) and by [Area](#) of Sociology.

Course Enrollment Basics

Course Suffix (A, B, E, F, G):

Indicates the type of course (essay, non-essay) and when the course is offered (Fall or Winter).

- **A** = 0.5 credit non-essay course offered in the fall semester (Sept-Dec) ex: Soc 2205A.
- **B** = 0.5 credit non-essay course offered in the winter semester (Jan-April) ex: Soc 2205B.
- **F** = 0.5 credit essay course offered in the fall semester (Sept-Dec) ex: Soc 1026F.
- **G** = 0.5 credit essay course offered in the winter semester (Jan-April) ex: Soc 1026G.

The Sociology Department no longer offers 1.0 credit full year courses (Sept-April) Ex: Soc 1020 and Soc 1021E etc.

When a module requirement indicates ex: “Sociology 2205A/B” it means that students can **take the course in the Fall (2205A) OR Winter (2205B) but NOT both.**

The course itself (Soc 2205) covers the same course content in the fall and winter semesters. If a student takes both 2205A and 2205B it acts as though the course is repeated. The 0.5 credit received in the first course attempt would be lost.

There is a great deal of flexibility in the order students complete courses.

- **Example 1 (different semesters):** Soc 2205A + Soc 2206B or the opposite Soc 2206A + 2205B.
- **Example 2 (same semester):** Soc 2205A + Soc 2206A or the opposite Soc 2205B + 2206B.
- **Example 3 (different years):** Soc 2205A in Fall 2022 and Soc 2206A in Fall 2023 or the opposite.

Some courses require specific prerequisites. Please check the timetable for more information.

Pre-requisite: Enrollment in a particular year, module or course that must be successfully completed prior to registration in the course.

Starting in Fall 2022, many prerequisites for Sociology courses have been removed or reduced. This allows for more course enrolment flexibility.

Anti-requisite: Courses that overlap or share similar course content. Students cannot take two courses that are listed as anti-requisite.
Example: Sociology 2259 and Sociology 2257A/B.

Enrolment Priority/Restriction: A set of dates when specific groups of students can enrol in a course.

SOCIOLOG 2263A - THINKING SOCIOLOGICALLY

Course Description: An in-depth examination of many of the core ideas that sociologists use in their analyses, including the social, society, subjectivity, institutions, and others. Involves questions regarding how we approach these theoretical and empirical issues, and evaluating their impact on our current social order.

Antirequisites(s): Sociology 2240E, Sociology 2270A/B, Sociology 2271A/B

This is NOT a complete list. It is the student's responsibility to check the antirequisites on all courses before enrolling.

Enrollment Priority

A constraint that limits enrollment to a particular group (module/campus/year) for a specific duration.

Example: “PRIORITY TO YR 4 HONS SPECIALIZATION IN CRIMINOLOGY ON MAIN CAMPUS. JULY 26 PRIORITY CHANGE: ACCESS TO ALL OTHER STUDENTS. WAIT LIST OPTION AVAILABLE. **REQUISITES:** Prerequisite(s): Registration in third year or above in any Department of Sociology module, or fourth year in any module”.

Students must meet BOTH the prerequisite AND the enrollment priority to enrol in the course.

Scenario 1: A 3rd year Sociology Major can enrol as of July 27th.

Scenario 2: A 3rd year Psychology student could not enrol (prerequisite not met). Must wait until 4th year.

Scenario 3: A 4th year Anthropology student can enrol as of July 27th.

Priority Change Date #1

Enrollment is temporarily **closed** on July 26th at 12:00am.

Enrollment **reopens** July 27th from 9:00am-11:59pm August 1st.

Priority Change Date #2

Enrollment is temporarily **closed** on August 2nd at 12:00am.

Enrollment **reopens** August 3rd from 9:00am until the [add deadline](#).

FAQ

- **A course I want to take is full. What do I do?**

Enrol in a different course (as a backup) that is not full. Then add your name to the [waitlist](#) for the desired course that is full. Include your backup course as the [swap](#) option. This will allow the enrollment system to automatically remove you from your backup course if a spot in the desired course becomes available. You must meet both the prerequisite and enrollment priority of the desired course. Adding your name to a waitlist does NOT guarantee that a spot will become available. Special permission will not be granted to enrol in courses that are full.

- **Can I take a course at an Affiliate University College (Brescia, Huron, Kings)?**

Sociology courses taken at an affiliate college can only be used as an elective, not toward the fulfillment of a Sociology/Criminology module requirement.

(Affiliate Transfer students must contact socugrad@uwo.ca for more information)

- **I am having difficulty enrolling in Sociology courses. What do I do?**

The first step is to check the prerequisite and enrollment priority listed on the [timetable](#). The enrollment system will not allow students to enrol unless BOTH the prerequisite and enrollment priority are met.
