Important Policies

Policies for Assignment Deadlines:
For all assignments, small extensions are available as long as you talk to me beforehand. If you miss the due date for an assignment due to illness or for any other unforeseen reasons, you must provide notification of and documentation respecting your circumstances to your Academic Counselor within 48 hours. If your problem is medical in nature, you should be seen by your doctor on the date of the quiz or on the date the assignment is due. If your Academic Counselor agrees that your reasons are legitimate and are supported by your medical doctor’s documentation, you will be allowed to hand in your assignment, or have your grade re-weighted, depending on the circumstances. If none of these steps are followed, late marks will be deducted of 1% per day.

A Note on Plagiarism:
Students must write their assignments in their own words. Whenever students take an idea from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major scholastic offence (the Scholastic Offence Policy can be viewed in the Western Academic Calendar).

Plagiarism Checking:
All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (https://www.turnitin.com/).

Policy on Electronic Devices During Class
Be sure that all cell phones are turned off at the beginning of class.

Standards of Professional Behaviour
It is the responsibility of all of us in this class to adhere to and promote standards of professional behaviour that support an effective learning environment:
• Respect for others both in and out of the classroom through words and actions (be professional, fair, and respectful in interactions with people on-line and in-person; understand and respect differences among classmates and colleagues; avoid disrupting the learning environment; respect others’ expectations of confidentiality and privacy)
• Active engagement in learning and commitment to quality (being prepared for classes; participating and listening actively to other; using technology and social media appropriately, striving to do your best)
• Personal integrity (following through on commitments; doing own work).
**Policy on Accommodation for Medical Illness**

Western’s policy on Accommodation for Medical Illness can be found at [www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf).

Students must see the Academic Counsellor and submit all required documentation in order to be approved for certain accommodation: [https://counselling.ssc.uwo.ca/procedures/academic_consideration.html](https://counselling.ssc.uwo.ca/procedures/academic_consideration.html).

**Academic Consideration for Missed Work**

Students who are seeking academic consideration for missed work during the semester may submit a *Self-Reported Absence (SRA)* form online provided that the absence is **48 hours or less** and the other conditions specified in the [Senate policy](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf) are met. Two important exceptions to this rule: SRAs will NOT be allowed for final examinations or assessments worth more than 30% of a given course. Students whose absences are expected to last **longer than 48 hours**, or where the other conditions detailed in the policy are not met (e.g., work is worth more than 30% of the final grade, the student has already used 2 self-reported absences, the absence is during the final exam period), may receive academic consideration by submitting a [Student Medical Certificate](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf) (for illness) or other appropriate documentation (for compassionate grounds) to your Home Faculty Academic Counselling office.

All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.
